// Nurturing the leaders of tomorrow.

Our members participate in the activity of color guard – the *sport of the arts* – by combining athleticism, dance, music and pagentry to create a visual story through the use of flags, sabres and rifles. Our two competitive groups and one performance group were built to give nearby communities (and beyond) a creative outlet that fosters lifelong friendships, builds confidence and promotes teamwork.

// Three programs, endless possibilities.

We've been serving the youth and young adults of Illinois, Indiana, Iowa, Missouri and Wisconsin since 2010 and support the following competitive and performance-based programs:

Allegiance Open Guard // consists of co-ed youth between the ages of 16 to 23. They compete locally, regionally and globally through the Midwest Color Guard Circuit and Winter Guard International. The members of this program are selected through an audition process.

Allegiance A Guard // consists of co-ed youth between the ages of 14 and 22 from various communities throughout Illinois. They compete locally and regionally through the Midwest Color Guard Circuit and Winter Guard International.

Allegiance Junior Cadet Guard // consists of co-ed youth between the ages of 5 and 14 from various communities throughout Illinois. They perform locally through the Midwest Color Guard Circuit.
